Even with the wedding approaching, his fiancée was keeping him at arms' length

I was really in a funk. Sitting dejectedly at my girlfriend's parents' kitchen table at two in the morning, I'd never felt more frustrated—or horny. I'd hoped that this evening would turn out differently, but it hadn't, and to make matters worse, Meca and I had had a terrible argument that resulted in my pouting in the kitchen while she went off to bed in a huff.

The problem was a simple one that I thought could be easily solved. Meca is a beautiful college graduate with a great personality and a ravishing body. Because of her Greek heritage, she's very strict about having sex before marriage, and I'm a normal, healthy guy who wants to fuck all the time. She's been like that from day one, so some heavy petting and an occasional handjob was about as far as Meca would go. Hell, I'd never even seen her naked!

With our wedding only six months away, however, I assumed that I might be able to get some tonight. To my frustration, though, Meca gave me a flat-out no! To make matters worse, our fight hadn't deflated my raging boner. My cock ached so badly that I was just about to head on home for a lonely jerk-off session when I heard a faint rustling in the doorway behind me.

"Kevin! I thought you were down here."

The husky female voice sent a chill up my spine. It was Meca's 19-year-old sister, Sonya.

"I'm fine," I replied, turning around. "I...didn't mean...to wake...you!"

I practically fell off my chair. Sonya stood by the stove, smiling demurely, wearing a slinky black peignoir that left little to the imagination. I'd always been attracted to Sonya, despite the fact that she's five years my junior, because in many ways she was even lovelier than her sister. They shared the same jet-black, shoulder-length curls, mysterious, dark eyes, and bow-shaped lips, but Sonya's face glowed with a youthful, sensual innocence that I found very exciting.

To be honest, I had often fantasized about how she might look naked, maybe even more times than I'd wondered about Meca, and now I didn't have to wonder any longer. Her nearly bare tits bobbled enticingly beneath the shadowy silk like two ripe melons, capped by a set of brilliant crimson nipples that were currently rock hard. Her meaty hips flowed gracefully down into the nubile softness of her shapely thighs. If her matching black thong hadn't formed a flimsy barrier across her teenage pubes, I would have been able to see the whole package.

"You need to talk? I'll make some coffee," she said, grabbing the kettle and moving toward the sink.

I swear my heart stopped beating in my chest. There, displayed in all their wondrous glory, were two of the fullest, most perfectly shaped ass-mounds I'd ever laid eyes on, made all the more enticing by the smoky gossamer covering and the dark thong band traveling smoothly along her deep rear crack.

"No thanks, Sonya," I croaked, deciding to leave before I did something embarrassing. "I should be going

now."

"Wait, Kevin," she pleaded, settling onto the chair next to mine. "I heard you and Meca come in and I know what you were fighting about!"

"You...you do?" I mumbled, my head spinning.

She crossed her long, sinewy legs to reveal a lot of bronzed thigh, then leaned forward to expose the rounded hills of her bulging tits through the gaping front of the gauzy peignoir.

"Yes," she replied, placing her hand on top of mine. "She won't let you into her pussy—right?" Shocked at the frankness of her language, I could only nod stupidly. "I thought as much," she snorted.

"Well, I guess I'll just have to wait," I lamented.

"I can see that that's not going to happen, either," she murmured, glancing down at my bulging jeans.

I was totally humiliated, but my obvious erection didn't appear to bother Sonya. She simply rose from the table, sauntered over to shut the kitchen door, then gracefully floated down into my lap.

"Sonya!" I peeped.

"I don't believe it's right for Meca to deny you satisfaction," she said huskily, looping her arms around my neck, "but since there's nothing I can do about her, maybe there's something I can do for you!"

She didn't give me a chance to protest. In a flash, her lush lips were covering mine and her soft tongue was in my mouth. That did it for me! Her steamy kiss, on top of my months of sexual frustration, made me lose all control. Growling like a fierce animal, I stabbed my tongue back at hers and ran my hands over her curvaceous, silk-shrouded body.

Meca's sister turned out to be a real passionate girl. Not only didn't she stop me from copping a feel, she even helped me remove the peignoir without once missing a beat with her fluttering tongue. When I finally ended the searing kiss to suckle on her left nipple, she eagerly pressed my face into her bosom.

"Ohhhh, Kevin!" she moaned. "That feels wonderful!"

I was having a great time, too. Sonya's tit was solid, yet supple, and the pointy red nipple poked against my lapping tongue like a tiny, expanding rocket. In no time my groping paw found her bare ass-cheek, and my pinching fingers sank into her pliant flesh. Sonya started trembling. Yanking me away, she maneuvered her other tit past my parted lips.

"Do this one, Kevin!" she panted, rolling her bottom against my bloated cockmound. "I...I like it! Do this one now!"

I was more than willing to accommodate her, but after only a few minutes of intense suckling, I made the mistake of going for her skimpy undies. She instantly slapped my hand away and wiggled out of my grasp.

"You can't fuck me, Kevin," she chided breathlessly, sinking to the floor. "I'm saving myself for my future husband."

Oh, shit! Not another one, I thought as she deftly removed my pants, tugged my shorts down, and began slowly fisting my fat 10-incher.

"But how about I give you a good blow and you come in my mouth—okay?" she replied, then started gliding her tongue over my greasy knob.

That was the last thing she said before swallowing me down in one gulp. I groaned, snagged her ebony curls, and started pumping my cock down her throat at top speed. Sonya was an expert. She knew just how to apply enough suction to bring me to the boiling point in no time. Of course, it helped that I had an unobstructed view of her gorgeous, snowy white, upraised buns. The image of my cock nestled between those plump cheeks, combined with the steamy warmth of her sucking mouth and the gentle ticking of her fluttering tongue, pushed me over the edge quickly.

"Ahhhhh! Sonya!" I cried, jacking my hips. "I'm coming!"

True to her word, the dark-haired beauty slid her soft lips upward to capture my spasming knob. She drank down every drop of jizz I pumped out of my rumbling balls. Closing my eyes in ecstasy, I slumped back in the chair while Sonya tenderly cleaned off my meat. Then I heard her gasp in surprise.

"Holy...! You're still hard, Kevin! You poor thing!

You're still hard!"

Peering south over my heaving abs, I discovered that my cock hadn't deflated a single inch. "You need more!" she snapped, jumping to her feet. Swinging around so her succulent ass was right in my face, Sonya swiftly removed the thong, leaned over the table, and reached back with both hands to pry her ample cheeks apart. "You can't fuck my pussy, but you can fuck me in the hiney! Just lube me up first!"

Any other guy would have leapt into action immediately. I would have, too, except that I was frozen solid, overwhelmed by the exquisite spectacle of Sonya's naked female parts. Her ebony muff caught my eye first. Thick and curly, her pelt nearly hid her swollen, glistening labes from view. Running north from the apex of her succulent pussy was a thin crease of puffy skin about an inch long that disappeared into a crinkled brown opening the size of a quarter. It was pulsating like a bellows.

"Hurry!" she begged, shaking her ass seductively.

Dropping to my knees, I caressed the solid backs of her young thighs while licking and nipping at her pliant flesh. By the time I finally slipped my tongue into her fragrant crack, Sonya was writhing in ecstasy. But despite its gaping diameter, her asshole still seemed pretty snug. When I stood up to ease my flared cocktip past her anal ring, it was no go.

"Damn!" I barked. "I'm too big, Sonya!"

"More lube!" she whined, balancing on her pillowy tits to maintain her grip on those fabulous globes. "Use the olive oil!"

Sonya was one smart babe. Not more than six inches away sat a cruet of olive oil that the family used at every meal. Snagging the tiny bottle, I flipped off the stopper and poured the contents into her spread ass-crack.

What a sensation! The slimy goo dribbled over my waiting poker and straight into Sonya's gaping asshole. There was a muffled gurgling noise, followed by a sharp butt-burp. Suddenly, the stuff bubbled outward to completely bathe my cock and balls.

"Awwwww! Yeah!" I growled, slowly screwing my cock into her crinkled opening.

"Ohhhh, Kevin!" Sonya cried. "Fuck me in the ass! Fuck me hard!"

Withdrawing a little, I slammed my cock even farther up her clutching asshole, then pulled out again and repeated the maneuver until I fell into a steady rhythm. Each thrust drove her forward across the table, forcing Sonya to grip the edge for support. Without warning, her rippling ass-globes shut flush against my driving cock, abruptly increasing the pressure. For the next 10 minutes I rode Sonya's tight, jiggling ass like a cowboy taming a wild bronco. I didn't want it ever to end, but somehow she was able to constrict her asshole in such a way that she literally siphoned the juice right out of my balls.

"Aggghhhh! Sonya!" I grunted, frantically long-stroking her backdoor. "I'm gonna shoot!"

My announcement really threw her into high gear. Twisting her quivering hips, she impaled herself on my spasming cock, then shot one hand down between her flexing thighs. A second later, I felt her knuckles scrape my bouncing balls as she dug her fingers into her drooling pussy.

"Do it, sweetheart!" she wailed. "Shoot your load in my asshole! Aieeee! Yesss! Oh, Kevin! I'm coming! I'm coming!"

I'd figured that out already from the amount of girl-goo sprinkling my loins. Her climax only enhanced my own, causing me to pump what seemed like a gallon of spunk into her heated bowels.

"Feel better?" she cooed, turning to kiss me on the forehead once my cock had deflated enough for me to pull out. Out of breath, I collapsed on the chair and lazily nodded. "Good! Me. too! Now just remember, six months is a long time. You need some more help, you come to me! Right?"

"Right!" I panted.

"Fine! Get dressed! Go home!" she commanded, wrapping herself up in the discarded peignoir.

As I watched her bountiful ass sashaying through the doorway, I decided that I would have to stock up on a lot of olive oil if I was going to make it to my wedding day!

DOUBLE THE ASS

Jonah is my fuck-buddy. He's a gentleman – maybe a little too much so. Sometimes we go out cruising for fun and, if there's no one else worth fucking, we go home together. Usually, I spot my target first, but this time Jonah's pussy-radar went crazy.

She was this beautiful raven-haired girl with oriental heritage – but he wanted me to find a hook-up before he made a move. "Go hit on her or I will," I said. And that's how it turned out.

I fixed us up with a threeway with the hottie. I figured Lara and I would start the party, but she was so hot for Jonah they tore straight into each other. I even had to unzip my own dress, by which time they were naked on the couch. I was happy to masturbate – I'd get my due from him another time! But I was still the object of his sense of humor. Lara said I must be real sweet to share his dick like this.

"Nah, she's a total bitch," he said. Then he splayed my cheeks and told her, "She's never even let me fuck this righteous ass."

Bullshit – his prick has seen the inside of my butt more times than the inside of his shorts. But Lara realized he was joking, though she played along.

> She looked impossibly tight and yet her butt stretched easily, taking his thick tool

"Make her cum and I'll let you fuck me in my ass," she said.

He got me to sit on him cowgirl, then powered in hard and fast, fingers on my clit so I'd orgasm before he even got close to it himself. I clamped around his shaft – I could have gotten him off so easy if I'd wanted, but I was satisfied for now, and eager to see him give that tight little hole some meat.

I rose up, leaving his hard-on wet and exposed, then I used my juices to lube up Lara's asshole and my hand to get his dick in position. She looked impossibly tight and yet her butt stretched easily, taking inch after inch of his thick tool.

I watched, my hand wedged in between my thighs as he pumped in slow; then Lara told me to straddle his face, so he could lick me while he ass-fucked her. The guy knows how to use his tongue, but this time he was right off of the scale. Just seeing his meat plow this chick's butthole, hearing her moans and the slapping of their flesh together got my juices flowing.

Both of them were teasing her clit, so her butt was squeezing and jerking around his cock. Soon, I saw the signs I know so well and, sure enough, his prick started to

hammer into her asshole, then slid out spurting thick white jizz.

I moved over her face and she immediately began to lick me – I realized that if I'd been feeling jealous at all, it was of Jonah for fucking Lara and not of her for screwing my pal!

I chowed down on her pussy, then lapped at her clit as I slid a couple of fingers in her wet, slippery ass. The spunk was the only evidence she'd taken seven fat inches – her butthole felt too tight to have just been fucked as she clenched around my digits.

With our agreement, Jonah snapped some pictures, then Lara dragged him back into the fray, dick first! She said that I should try his cock inside of my ass, "for the first time," then helped him slide it in as I squatted over it.

"You're a natural, honey!" she said, winking at me, and then stood in front of me so I could suck on her tits and finger her snatch.

Maybe I was a little too generous that night – my fuck-buddy is now actually dating Lara. Not that it's gonna mean I get any less action from him – one time she got him hot with phone foreplay, then sent him over to me. And I get visits from her, too – she says I have the sweetest pussy she's ever tasted.

PRIVATE PARTY

Recently I went to a party at a boutique hotel. I don't know whose it was, just that the schmoozing pal I went with slunk off to suck some rich guy's dick.

I was having a dull time and would have left if I hadn't gotten talking to Janine, a skinny brunette who kept making smart remarks about the other guests. Some of

> "She went down on me, her head bobbing as her tongue reamed along my slit"

the stuff she said was cruel, but all of it was true! She was so obviously flirting with me – that freaked me out a little as I consider myself straight. But she was cute, so when she grabbed my hand, I let her take me to an empty suite with a kitsch seventies feel.

She kissed me and I slipped her some tongue and felt her boobs – which were very big for a petite girl. We planned on a ten-minute quickie, but it took almost twice as long just to get each other topless. My tits were too good for her to rush, and by the time she was done sucking on my nipples, the insides of my thighs were drenched with juice.

She stuck her hand down there, and said I was way too wet to cum from her fingers –

my cunt needed something bigger, more solid inside of it. She rummaged in her purse and pulled out a dildo – plus what I realized was a strap-on harness!

Now she was a chick with a dick who wanted to screw me. I laid back on the floor and she went down on me, head bobbing as her tongue reamed along my slit. She got so caught up in eating me and I loved it too, except the idea of her boning me with the strap-on was getting me hotter. I didn't want to tell her to quit sucking my cunt, but in the end, I asked was she gonna do me with the toy or what?

She knelt up, shiny wetness all around her mouth, smiling to herself as she jacked the dildo. Then, so slow I almost screamed at her to hurry up and fuck me, she moved forward and rubbed the head of it up against me. Finally, she slipped it inside. My cunt opened up to engulf it, then snapped tight, holding it inside of me.

She just looked down at me, grinding her hips to tease me. I lifted and spread my legs, Janine holding my ankles to push them even farther back. She said if I wanted to take her, it had better be deep.

She didn't look like she had any weight to put behind her, but she was one tough chick, thrusting in just as hard as the biggest guy who'd ever fucked me. She kept talking dirty, too, telling me, "Take my dick!" like it was real to her right now.

I was frigging my clit, spreading myself open for her, and now that she was fucking me hard, I started to cum. She leaned forward, tits flattening up against mine, and she gave me a wide-open kiss, sucking on my tongue as the pleasure pulsed through my hot body.

Now she pulled out the cream-coated dildo, and

> **"She pulled out the cream-coated dildo and then sucked it clean, smacking her lips at the flavor of my pussy"**

sucked it clean, smacking her lips at the flavor of my pussy. Then she told me to strap it on. I felt weirded out again, but so aroused. I had her against the wall, one leg up, fucking her upright. Then she decided she wanted to watch us fuck, and so I spun her around to face the mirror, slipping into her pussy from the rear, and cupping her rack from behind.

I didn't squash them, just placed my hands on them, so I could feel them jump and bounce around as I banged her. She kept moaning, ordering me to give it to her harder and I was rocking on my heels, I was going so hard. Suddenly she let out a squeal, finally losing her cool, and I felt her snatch close so hard around the dildo, as an orgasm shattered through her.

I don't know who she was, and I kind of like it that way. But every time I accept a party invitation since then, I wonder, will she be there?

"Raunchy Reveler" – Idaho

SECOND-CHANCE SUCKER

I couldn't believe it when I saw Jim at a barbecue – his hair was shorter and darker than previously, but I knew he was the guy I'd sucked off at some keg party a few years before. He recognized me too and, after avoiding him for an hour, I was just tipsy enough to accuse him of being the bastard who'd gotten what he wanted, then left me hanging. He promised he'd looked for me but I'd gone – and told me how he'd left on his own and spent the night jacking off over the blowjob I'd given him.

I said I'd fully intended to fuck him, and we both seemed to have a 'What if?' moment. Followed very closely by a 'Why not?' moment!

To pick up where we left off we needed to backtrack. Locked in a bedroom in the house, I unzipped him and the memories came flooding back – right into my mouth and pussy. I started salivating as I hefted his big cock in my hand, wetting it as I took it inside of my mouth.

Even the smell of him – beer, smoke and cologne – triggered how I'd felt that time. "Remember how you caressed my balls?" he moaned. I didn't, but he seemed to like me improvising it, pattering my fingertips on his nutsac, then rubbing his balls up against my chin as I deep-throated him.

If anything had changed we'd both gotten better at this, more confident. I jacked and sucked, still keeping up a gentle pressure on his balls. Then I felt them bunch up in my hand as he shot his load.

I swallowed the first jet, took the second on my tongue, then let him spurt the rest all over my boobs. They're small but perky, and look great covered in spunk!

> "He was rubbing his balls up against my chin as I deep-throated his hard cock"

We weren't planning to stop at this, though, not even if our hosts started busting down the door. As soon as Jim was ready, I began to jerk him stiff again. It didn't take a lot of doing, and he said he wanted me to sit on his dick, put all my weight on him and just enjoy the ride as he bucked up under me.

He held me by the hips and moved me, bouncing and circling me on his rigid prick – it felt so big drilling up inside of me. I wanted him to feel me cum, and so I reached down to frig my clit. As my pussy squeezed his dick, he let me sink all the way down. Then I caught his balls again and rubbed them up against my slit. They were shaved, his stubble a little rough against my smooth-waxed twat.

Now I was leaning my hands against him, fucking him hard, the juices running out of me to soak his crotch. His dick kept jolting in me – I figured he was ready to cum. Then he lifted me clear, trying to hold off just a little longer.

I got on my hands and knees, told him to slam it to me real hard. I was moaning, and spotted an open window which meant the entire barbecue could be listening. But all I cared about was the tightness in my cunt, and then the hot sensations exploding through every nerve.

That triggered Jim off cumming too – he

slammed his prick in, fingers clawing at my butt, sinking himself to the limit inside of me. Then I felt more warm, wet jets – my skin actually tingled where the first wave had hit before – and he filled me full. When he pulled out, I felt a big gush of cum pour out of me.

I asked Jim whether I had lived up to his jack-off fantasies. He said his imagination wasn't anything like as dirty as me. Now he was regretting losing the chance to fuck me the first time even more, so I said we'd better make up for lost time. We're spending a week together next month, doors locked and phones switched off. It's kind of a gamble as we hardly know each other really, but as the plan involves plenty of hardcore fucking, I think it will be just fine! ***"BBQ Boner" – Florida***

THE NERDS ARE CUMMING!

I'll admit it – I've always had a soft, wet spot for nerdy guys. I was an über-nerd myself till college, where I first went bleach-blonde and began to see having big tits as an asset, not a liability! Now that I've unleashed my inner exhibitionist, I often go to fantasy and sci-fi conventions in costume, usually skimpy ones, and I always score. The guys may not be cool, but they are horny and often kinky. Most are also gadget hounds and so, when we get back to my place, the toys come out.

Most recently, I met two best buddies, Adam and Ben, and took them home. Ben was a classic nerd and also a total tit-freak – he stripped me down to my tight black patent thong and high boots, and just lost himself in sucking my nipples.

Meanwhile, his pal undressed to reveal a cool tattoo, plus a sexy piercing in his cock. I pulled away from Ben and crawled over for a closer look and began to play with him, jacking him then licking his helmet, using my tongue to flick and spin the ring.

He moaned and grabbed the back of my hair, coaxing me to take him in some more. He wasn't expecting me to suck him in all the way to the hilt, but he kept his cool.

As I sucked him, Ben joined in the fun again, tonguing along the lines of my thong, then pulling it sideways so he could eat me. With a mouthful of cock I couldn't make much noise, but Adam groaned enough for

> He gasped and his jizz shot out, spurt after spurt, splashing all over me as I aimed his dick

both of us, as I blew him hard and deep.

My cunt was throbbing ready for a dick, but as my juices flowed, Ben was licking them up my crack to my asshole. Then he grabbed a dildo from my goodie drawer, spat on it, and eased it slowly inside my ass. Adam liked this game and, though it seemed a wrench, he pulled out of my mouth and gave me a mock-cock to suck on, too. Then both guys got a vibrator for each hand and turned them up to max.

Ben went back to my tits, sucking on my nipples and working the tip of his vibes over them, making my orbs quiver. Adam played one over my clit till he hit the spot, and used the other wherever he wanted. One time he ran it over the sole of my foot and it drove me crazy, so I was thrashing and squirming on the bed.

Their dicks were jutting skyward, so tempting, and I took them in my hands. Adam's looked like he might spunk his wad any second, but I went easy on him, controlling the pace with my hand.

I jacked them both, cumming all the while myself from what they did to me, little shocks of pleasure flashing between my tits and crotch. I've done plenty of anal, vibed my own asshole countless times, but I'd never gotten intense orgasms like this ever before.

The guys were feeling it too. Ben seemed so cool and detached, like I was jerking off someone else. Then it was like it took him over – he gasped and his jizz just shot out, spurt after spurt, splashing all over my body as I aimed his dick.

Adam held it together a little longer, then blew his load all over me too, his cock-pierce making his juices splatter everywhere, raining on my belly and crotch as well as my tits.

I kept myself busy, clenching my butt around the dildo as I vibed my tits and clit. Then Ben was hard again and taking his turn at being sucked, while I took Adam's pierced dick in my cunt.

They each got to fuck me in all three holes, and I'll forgive them for switching on the TV for a certain sci-fi show as it's must-see viewing for me, too! Anyway, I took Adam to nerd heaven, sucking him slow and easy while he watched his favorite TV show.

We're hooking up for another threeway soon. I can't wait to see them cream over the silver metallic space-slut costume I've had made. It's not a TV or comic character, just a trashy alter-ego I've invented!

SORORITY SCREW

My pals and I are a true sisterhood, a sorority that's stuck together since college. Sometimes I think we got our fill of dick back then, because these days, it's all about pussy! Sure, Mel is married and Suzy lives with a guy, but when we take our annual girlie vacation, men just don't figure.

This year, we went to a beach resort and rented a condo with a terrace. Suzy paraded on it in her hot-pink bikini, then showed us more hot pink when she stripped and splayed herself on a towel.

As she rubbed sunscreen into her tits, our other pal, Nicole, dove in between her legs, fingers unfurling her folds so she could see her opening winking between them, leaking juices before she stuck her tongue inside of it.

As Nicole wagged her ass in the air, Mel strode over carrying a cocktail. She took a chunk of ice and stroked it over Nicole's snatch, making her giggle and shiver. Then she dipped her fingers in the cool drink, drizzled some on Nicole's cunt and got down to some licking.

In a lazy mood, I'd have just watched and idly played with my own snatch. But they weren't going to let me stand by! I slotted on the end of the daisy chain, taking my cue from Mel to sip her cocktail, then drool it down her crack, rimming and licking my way over every inch before clamping my lips on her clit. I know what she likes, and she certainly likes it when I lose three fingers to the knuckle in her pussy.

I just went with the rhythm, pounding that snatch as she ground against me. Sometimes I knew who was moaning or cumming, sometimes it all kind of melted into one big chorus of orgasms.

Nobody was playing with my pussy and I resisted the temptation to take care of it myself. I could feel it juicing and swelling to the point where one touch could make me cum. Even if I had to wait, it would be worth it.

Turned out I didn't have to. Suzy had switched

> "I was rimming and licking my way over every inch before clamping on her clit"

position, then shifted ours till she was licking my clit, making a circle of the chain. Fun, but we didn't last long like that.

Mel, Suzy and I live near to each other, but we don't get to see much of Nicole and so we focused our attention on her. I settled on her face, reverse cowgirl, spreading my cunt wide over her mouth, while Suzy straddled her tits, leaving Mel to keep on sucking her cunt.

That suited me – Suzy was my first-ever girl crush, and I'd never gotten over it. I'd have happily spent the day just making out and playing with her tits – creaming down Nicole's throat as Suzy tickled my clit was just a bonus!

Nicole was writhing underneath me, sucking hard on my snatch as her twat got eaten too. Mel was lying face down, partially propped up by a couple of cushions, a couple of fingers buried in her pussy – she wasn't going to miss out on the orgasms!

Soon, though, it was too much for Nicole, so I got off of her face to give her some air. I had some fun playing with her tits, rubbing and working one of her nipples against Suzy's slit, like I was jacking it into her.

Now Suzy got off of her but before I could suck the juices from that sexy rack, Mel beat me to it. As those two fooled around, I got in a sixty-nine with Suzy, on the bottom this time as she oozed and spasmed over my mouth.

Talk about getting away – we barely left the condo all week, except for one trip to the beach, made out of guilt that we weren't appreciating the local area. By the time we got back for lunch, we were jonesing so bad for action that we stayed home for an afternoon-long pussy fest.

> "Nicole was underneath me, sucking hard on my snatch as her twat got eaten too"

I love these girls – they're my best friends and nobody makes me cum quite like they do!

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

SEXY SLEEPOVER

When my lovely, blonde-haired, blue-eyed friend Janie suggested that we pop one of her father's porno tapes into the VCR during my sleep-over two weeks ago, I was shocked. Even though we're both 18, Janie's been around a little more than me.

I was nervous about the idea, but I agreed because her parents were gone for the weekend so there was no reason not to watch it, and I didn't want to look like a prude.Sitting side-by-side on her living room couch in our shorty nightgowns, we started giggling with embarrassment as we watched all those naked studs screw one beautiful young girl after another until the image of two girls having sex flashed on the screen. We both quieted right down when we saw that.

Suddenly, I felt a strange tingling between my legs. Janie must have felt something too because she edged closer, slipped her arm around my shoulders, and asked me if I'd ever done anything like that with another girl. When I shook my head, she leaned in to kiss me hard on the lips just as the two girls on the screen began making out.

I'm not sure exactly what happened after that. Maybe it was the movie, or maybe I'd had a thing for Janie all along. The only thing I know is that her kiss drove me wild. Wiggling my tongue into her mouth, I ran my hand up her bare leg to caress her hip through her panties. She seemed startled at my response but recovered quickly, and soon we were boldly exploring each other's body while our tongues duelled feverishly. Once we'd stripped off our nightgowns, things really got hot.

Janie's tits are a little bigger than mine, with these huge, stubby, coral nipples. I'd always admired them even though they made my own tiny bust appear bogus by comparison. But she seemed to go crazy when she finally got my tits in her sweaty palms. Staring at them with lust in her lovely eyes, she fondled my chest for quite a long time before wrapping her lips around one puffy, pink nipple.

Fireworks went off in my head! The way her tongue flicked over my flesh was so different from my boyfriend's technique that I urgently pushed her face against me with one hand while reaching down to do a little touching myself. By the time she switched over to nurse on my other nipple, my panties were soaked with girl-cream.

"Oh, god! Janie!" I whimpered, writhing in her arms. "That feels wonderful! Suck my titties, baby!"

Encouraged by my words, she did more than just mouth my tits—she peeled my panties down at the same time. I was too horny to resist. Raising my sleek hips, I allowed her to remove my drenched undies, then lay back on the couch and splayed my long legs in an open invitation. Abandoning my tits, Janie kissed slowly down my quivering belly until her hungry mouth covered my drooling pussy.

"Ahhhhhh! Janie! Yes!" I cried as she slithered her tongue into my fragile opening. "Yes, honey! Eat me out! Oh, god! Yes! Eat my pussy!"

THE WAY HER TONGUE FLICKED OVER MY FLESH WAS SO DIFFERENT FROM MY BOYFRIEND'S

For a moment I wondered if she had done this before or if she was simply mimicking the sexy duo in the movie. Either way, it didn't make any difference to me. Then I was too hot to bother wondering about it. Her whirling tongue set me on fire fast. When she skewered a finger into my twitching pussy and licked upward to tease my swollen clit, I was ready to jump out of my skin.

"Oh, yes! Oh, yes!" I screamed, humping my pubes at her searching lips. "That's it, baby! Oh, Janie! I'm coming!"

Janie stayed put all during my climax, lapping up my pussy-juices. Then she rose up above me and gently placed her lips over mine. It was the first time I'd ever tasted my own nectar, and the tangy sweetness drove me into action. Jabbing my tongue into her mouth, I nimbly flipped her over onto her back and made a beeline for her wobbling tits.

I'd never done this before, so I guess I was working purely on instinct when I cupped her fleshy mounds in both hands to suck first one rigid, ruby nipple and then the other. I must have been doing something right though, because Janie went ballistic!

"Oooooo! Nicole! God, that feels great! Do my tits, sweetie! Oh, you nasty girl! I can't stand it!"

Suddenly, she was clawing frantically at her panties, and in a flash they were dangling loosely from her slim ankle. The instant she parted her shapely, thighs, her pussy scent hit my nostrils, making my mouth water. Scootching back, I lifted her sinewy legs up over my shoulders, peeled her slick labes open, and wormed my tongue into her furry pussy.

Janie squealed with delight. As I searched out her most sensitive spots, she began rolling her round, little ass at top speed while snagging my long, black curls to hold me in place. It was a good thing she did. She was bucking so fast and smacking her thighs against my head so violently that I probably would have lost my mouth-hold on her otherwise. With the passionate cries of the two porno dykes echoing in my ears, I finally went after her throbbing clit. The instant I drew the tiny bulb into my mouth, Janie popped her cork big time.

"Agggggghhhh, god! Nicole, honey! Lick my clitty!" she wailed, grinding her spasming pussy onto my hungry mouth. "You're making me come! You're making me come!"

I kept up my tongue action until she went limp, then slowly crawled up into her waiting arms as the lovely duo on the screen hit their peak. After that we didn't need the porno. We scampered upstairs to Janie's room, where we sampled each other's pussy for the rest of the night.

Now our sleepovers are extra-special—thanks to that dirty movie.

JABBING MY TONGUE INTO HER MOUTH, I NIMBLY FLIPPED HER OVER ONTO HER BACK...

SPRING INTO ACTION

I'm 19 years old and in my sophomore year of college. To help make ends meet, I work nights in the mall as a salesgirl. It's not a bad job, particularly when your manager is as sexy as mine is. One evening Bryant asked me to stay late to finish unpacking some new stock. After we closed the store, we moved to the back room—I to finish the shipment, he to do the closing paperwork.

A few minutes of silence passed, and then he looked up from his paperwork and said, "Colette, these outfits you're wearing—uh, they're, uh, not exactly appropriate for work." Even though he was blushing, I could tell he was staring at my breasts. I reached up and tugged on my nipples through the soft fabric. His breathing got huskier, and I noticed a growing bulge in his suit pants. "Colette, don't." His voice was strained, but I had no intention of stopping.

I moved my hands to my skirt and tugged my sweater out. His eyes followed my every move.

With a quick tug, I pulled the sweater up over my head, leaving my breasts free. His eyes bulged, and I ran my hands over my breasts, cupping them and fondling the nipples.

"Wouldn't you like to touch my breasts?" His hands seemed to move of their own accord, and he stepped closer to me, putting his hands where mine had been.

He moaned, and my breathing quickened along with his as he bent down and softly licked my nipples. "Harder," I urged as I ran my hands through his hair, pushing his face into my breasts. I felt the fire run down my nerves from my nipples to my pussy, making it thick and wet.

I tugged his tie off and unbuttoned his shirt. "Take it off," I said. He stopped sucking my nipples long enough to unbutton his cuffs and pulled first his dress shirt and then his undershirt off. As I had suspected, he didn't have a lot of chest hair, but his body was nicely sculpted. I ran my hands over his chest muscles, stopping briefly to tug on his nipples.

I could see the bulge in his pants, his hard-on making a tent. For a relatively slender man, he had one hell of a big cock! By then I couldn't have stopped even if I'd wanted to; my pussy was hot and wet. I unbuttoned his pants, and they fell to the floor. With a quick push, his boxer shorts were gone, too.

I touched his cock, which must have been at least seven inches long and very thick. I wanted to feel him twitch in my mouth. So I knelt down in front of him, taking that huge cock deep in my throat. His hips thrust, trying to go deeper. I felt the answering rush in the tightening of my pussy and knew I couldn't wait much longer.

I stood up and tugged off my skirt, then sat down on the table, spreading my legs wide. He knelt on the floor between them and gently touched the swollen flesh. I keep myself shaved, so there was no hair to get in his way.

He flicked his tongue and caressed my clit the same way he had licked my nipples, and I swear, I almost came right then. His tongue circled my clit, and I could feel my pussy muscles tightening. He seemed to sense my desire, because he slid two slender fingers into me, and my hips bucked. "Please, please," I moaned.

I felt myself stiffen, ready to come, and his tongue slid off my clit and down onto my thigh, right above the stocking. "No," I moaned. "Don't stop."

He stood up and pushed me back against the wall. His hard cock strained at my opening. I leaned back, lifted my legs, and allowed him to spear my wetness.

He was so huge! He seemed to understand that it hurt, and he slowed down, giving me time to adjust to that thick cock. When I was ready, he pushed in the rest of the way and started pumping.

I came almost immediately, just from the movement of his cock inside me. But he didn't slow down, and he didn't come.

He bent down and started sucking on my nipples. At that point, my pussy muscles tightened around his cock, and I came and came and came. After I must have had five or six orgasms, he pushed harder and deeper inside me. When he came, so did I, in one last, great explosion.

I WANTED TO FEEL HIM TWITCH IN MY MOUTH

With a sigh of regret, he pulled out of me, his cock already resuming its normal size. "Thank you, Colette," he said simply.

"You're welcome," I said, "but don't think this is the only time! You're too good for me to pass up!"

From then on, we made sure that we always closed together, and once that gate was down, we had our own kind of relaxation in the back room. I'll never regret that day I decided to see what kind of lover my boss was!

Nothing heats us up quite like some firebush. Acme Andersson tries to tame the fieriest red-headed porn stars out there today…

LADIES WITH RED!

Red alert! Red alert! Fire down below! Say what you want, but it's the color we're so taken by: red. Cuffs, collars, we're simply obsessed with red hair and the porn stars that have it. They are that rarity that fills a niche and satisfies a desire that other traits just can't. Surprisingly, it wasn't easy to narrow our list down to ten. The amount of talent has increased so much that there are more fire-crotched honeys than ever. But have we gathered an outstanding collection! Even if redheads aren't specifically your thing, you'll no doubt still find that these crimson-cunted lovelies have much to offer…

Audrey Hollander

With her porcelain skin and curly, fiery locks, Audrey easily gives the appearance of a sweet, girl-next-door type. And then the clothes come off, revealing a fantastic body. Still, that doesn't tell the entire story: Audrey is an incredibly filthy girl.

Audrey entered the business in 2003, accompanied by longtime significant other Otto Bauer. According to Otto, the pair practiced filming themselves for months before making their Porn Valley debut. Apparently practice made perfect, and around 300 titles later there is no question that she is one of the hottest girls in recent years, winning (among other things) the 2006 AVN Award for Female Performer of the Year.

Seeing Red: ***Hardcore Circus, Catherine, Squealer.***

Brittany O'Connell

A comeback isn't always necessarily a good thing, but in Brittany's case, it is a fantastic thing. She first came around in 1992 and put in tons of quality work for everyone from Vivid to Evil Angel to her own production company. But by the time Y2K rolled around, she was gone.

Then she returned this year with a vengeance, unleashing easily the biggest comeback of 2009, spotlighted by her starring role in ***Not Married With Children XXX***. The high-profile role and her mastery of it was brilliant and ever since she's been working steadily. It doesn't hurt that she still looks fabulous – the hottest MILF around right now? – and the years away from the business didn't take away from her ability to fuck and suck. In fact, she seems to have gotten better with age.

Seeing Red: ***Not Married With Children XXX, Seasoned Players 6, Sodomania, Face Dance 1 & 2.***

Faye Reagan

She came into the business as Faye Valentine, but we don't care what you call her because she is Faye-bulous by any name. Red hair, freckles and a body that sets new standards. Believe it or not, she is all natural (we checked) and turns in scenes as hot as any fresh performer.

Her boyfriend/fellow performer Dane Cross says that she has a bit of an obsessive-compulsive disorder and she focuses much of that energy on kegel exercises. As a result, when she cums it is virtually impossible for a guy to keep his cock in her snatch because it tightens so drastically! A fun thing to watch for in her hardcore scenes.

Faye recently signed on with LittleMutt to become the first 'LittleMutt Star,' which will include the company marketing the starlet, including a website dedicated to her. An additional bonus: she's going to be doing guys again!

Seeing Red: ***Belladonna's Cock Pigs, Bree's Big Campout, Control 7.***

Janet Mason

While most porn stars start their careers in their early 20's or even earlier, Janet has broken the mold by hitting Porn Valley after reaching 40. But she's no newbie who just discovered an affinity for hardcore fucking, she's had a website going for more than a decade now.

A self-professed size queen, Janet has taken some of the biggest cocks in the adult business – check out these pictures to see the proof of just how big she likes 'em – and she's always ready for more. "The bigger the better, both in length and thickness," she says proudly. "I don't pretend to speak for other women, but for me, size does matter. A set of large, low-hanging balls is a nice bonus, too!"

With an attitude like that, it's little surprise that Janet isn't just one of the hottest MILFs in porn today, she's one of the hottest performers, period.

Seeing Red: ***Anal Showdown, Housewives of Amber Lane 2, Pole Position 9, MILF Worship 7.***

Katja Kassin

This little German import got into the professional screwing business in 2003 and has managed to keep busy ever since. She's a dynamo in the sack and even after 500-plus movies she is still one of the industry's most sought-after stars.

While much of her success is certainly thanks to her beauty, her massive abilities are legendary. She does it all and does it all well. Blowjobs, anal, gangbangs – nothing scares Katja. If anything, it's the guys she works with who should be a little nervous of her fuck-ferocity!

She's worked for virtually everyone in the business, Evil Angel and New Sensations to Anabolic and Wicked and everyone in between. She's racked up many awards, including Adam Film World's Actress of the Year in 2003 and AVN's Best Solo Sex Scene (2006) as well as Best POV Sex Scene (2009).

Seeing Red: ***Anal Showdown, Double Vision 2, Girl Crazy 4.***

Kiki Vidis

What's not to love? Gorgeous, fine-bodied, Australian (mmm, accents!) and always up for getting nailed. Oh, and that hair is as red as red gets! She calls herself a 'model/stripper/porn starlet,' though she is so much more.

She currently divides her time between Los Angeles and Australia and is starring in the upcoming American reality TV series, ***Inside Porn***, which is set to air this year.

She's still quite new, having entered the business just last year, but the big companies have already lined up to get her in their productions, including Vivid, Digital Playground and Digital Sin. With her unquestionable beauty, fresh-faced enthusiasm and pure cock love, the work is sure to continue for a long, long time.

Kylie Ireland

Kylie is one of the few redheads in the industry who can truly be called a legend. She burst onto the scene in 1995, winning AVN's Best New Starlet trophy. She later went under contract with Sin City and then spent five years as an exclusive girl with VCA Pictures.

The problem some fans – and even Kylie herself – had with her contract years was that the movies just weren't hardcore enough. The filthy vixen shattered that girl-next-door image pretty quickly, most notably with her role in *The Whore Next Door*, which featured her first DP, a gangbang and more. Never again was her filth factor questioned.

Today she not only performs (around 400 titles so far), she also directs, having turned out some top-notch titles like ***Ass Wreckage***, ***Bitch and Moan*** and ***Taste Her Ass***.

Seeing Red: ***Corruption, Icon, Upload, Twisted as Fuck.***

www.kylieireland.com

Marie McCray

When director Roy Karch set out to find a relative unknown to cast for his 2008 smash ***Angel Face***, he had nearly given up until he found Marie. The image of purity and innocence, she fit perfectly into the script that featured a girl literally fresh off the bus and experiencing Hollywood for the first time. The footage of her wide-eyed on Hollywood Boulevard wasn't acting – that was actually her first time seeing the legendary strip.

But the stripping we love most is Marie getting out of her clothes and then getting onto a hard dick. She possesses a remarkably perfect body and while she's still only done a few dozen scenes, she's managed to retain her college girl looks rather than take on the full porn star makeover. Maybe that's because she only does shoots during her breaks from attending college. Smart girl. Book smarts and fuck smarts.

Seeing Red: ***Hospital, Hearts and Minds 2: Modern Warfare, Double Krossed.***

www.myspace.com/mariemccray

Riley Shy

She's gone by several names in her four years in the business – Jordan, Bambi, probably a few others – but it's Riley Shy that's stuck. We're also stuck on her red locks, amazingly tight body and perky little rack. Oh, and can that girl really take huge cock!

"I'm always filled with anticipation, and what I'll call a tense desire," the fetish-obsessed darling says. "I've been finding myself more and more hungry for the rarities I get to experience while chained, strapped, hung upside-down and/or bound by rope." Yup, this ain't your average vanilla girl. Tied up, tied down, we just hope this girl sticks around!

Seeing Red: ***Riley Shy Is the Runaway Brat, Rich Little Bitch, Jack's POV 3.***

www.myspace.com/rileyshy

Scarlett Fay

On her MySpace page Scarlett is using (yet another) alter ego, Mizz MaGumi, which is actually less confusing than the varying versions of both her stage names (is it Scarlet or Scarlette or Scarlett? Is it Fay or Faye?). But none of this is truly important, not when you take her reddish tresses, 32B boobies and 5 feet and 5 inches of pure loveliness into account. And we do.

In her two years in porn she's blessed us by fucking for the camera, sucking cock like the pro that she is and taking load after dirty load on her pretty lips. "When I first started in the biz, I wasn't sure if I wanted too much exposure, but now I'm working hard to get my name out there," she says. "I want to leave my future open and I'd like to say that I did this for something and made something out of it." Well, Scarlett, we're only here to help. After all, you've helped us plenty of times already...

UPFRONT

Ever felt like traveling the world? Don't bother. All you'll get is some evil tropical disease that makes you go all leaky, you'll get blamed for some politics that have nothing to do with you, and you might have to eat the food in England. Instead, let the world come to you. And we don't mean sit around reading *National Geographic*, we mean learn about foreign culture through watching girls from those crazy countries fuck. Here's our quick global guide to porn stars from places you don't need to go to…

SLOVAKIA – NATALLI DI ANGELO

Where is Slovakia? Since you're asking, it's somewhere between Austria, the Czech Republic, Poland and the Ukraine. In other words: cold. But Natalli Di Angelo has been heating things up since her dirty debut back in 2003. Anal, DP's, creampies, and plenty of movies in America – the Iron Curtain fell so we could see Natalli chug choad.

AFRICA – JADA FIRE

If you can find a porn star born in Africa, you're doing better than us. We'll make do with African-American hotties like saucer-nippled anal freak Jada Fire, thanks very much.

RUSSIA – CHERRY JUL

What Cold War? If you haven't seen a Cherry Jul movie, you Moscow and get one right now. Cherry has been sharing her Eastern front with us since 2005, and there's barely a scene she's in that doesn't involve splendid anal. Insert further Russian jokes here...

FRANCE – KATSUNI

We don't want to get into the whole legal eagle stuff about why she had to modify her name. All we care about are the big cocks she takes in her ass, pussy, mouth, ass and mouth again, in that specific order. French porn stars have been great since the last millennium – we cite Desiree Cousteau – but this snail-muncher might be the hottest of the lot.

CANADA – SHYLA STYLEZ

Okay, so British Columbia might not be all that far away, but it looks cold. So we'll just stay in our warm house with a DVD of Shyla Stylez doing pleasant things with her tits, pussy and ass. Shyla's had a two-pronged career – as a skinny babe and as a voluptuous one. We'd certainly give her another prong.

HUNGARY – MARIA BELLUCCI

Maria Bellucci has been kicking around in the porn biz for 14 years, but the 32-year-old still has more than what it takes to empty balls of their precious cargo. Anal with Lex Steele? Yes please. She's still Hungary for cock now. Sorry, we had to...

POLAND – INES CUDNA

Ines Cudna might not be a name that rolls off the tongue, but fans of huge natural Polish tits know that Ines is the one for your penis. She's cock-shy, but she could paint a fence topless and we'd be there. Painting the other side with our jizz, just to be helpful.

ENGLAND – ALEXIS SILVER

We're sure the north of England is 'charming,' but why go to wet, windy places when Alexis Silver is happy to come over here and wrap her fat tits around a fat cock until she gets a fat load of cum?

INDIA – PRIYA RAI

Unlike most so-called 'Indian' porn stars, Priya Rai was actually born there – in New Delhi, to be precise. Happily, she brought her 34D chesticles to these shores, where she curries (again, sorry) favor by tackling the biggest cocks in the porn world. Poppadom a load over her! ♣

ANGELA ASPEN

Angela is one knock down, drag out stunner. Black hair, big ass, perfect big tits, and a mouth made for cock sucking. This raven bombshell shows she's not some fuck doll just to be wanked over. She loves a good hard fuck, likes having her nipples pinched, and even moans and screams when she cums. Who could ask for more?

SAMANTHA NIXON

Samantha enjoys entertaining her lover with all the abandon she always has, because her lover gives her entire body all the sexy treatment she needs. Sammie loves to give her lover a luscious lip blowjob before taking his hard rod in her pussy. She works hard to get Mr. Pete to blow his load, and he obliges so with a warm, loving facial.
